Dear Deborah,

I very much enjoyed visiting Broadway recently, meeting everyone and seeing the exhibition. I think this is a superb piece of archaeology you have all been involved in.

Please keep me informed as more progress is made. In particular if you let me know (a) date (s) for the next round of field walking I will see if I can come along to join in.

Keep up the good work. I think this is one of the best Young Archaeologists' projects I have ever seen.

All the best,

Mick Aston
