Subject: Broadway Fieldwalking

Dear Deborah,

Many thanks for your kind invite to attend your Broadway Fieldwalk Project Exhibition and Presentation on 25th June. It looks like you've come up with a superb project for the Young Archaeologists to participate in and richly deserve all the support and sponsorship that you've been able to acquire. Unfortunately the week leading up to the event is occupied by filming and I have a prior engagement for the weekend in West London.

It's all rather a shame; I haven't been to Broadway for many years but do remember visiting it infrequently many years ago to see a great aunt of mine who lived there. I was always very fond of Aunt Nell who was always a great favourite with all our family.

I'm sure that the event will be a great success and hope that it will continue as you encourage the Young Archaeologists of Worcestershire to learn about and appreciate archaeology.

Regards,

Phil
